About us

We efficiently manage the production of varied desserts such as multi-layered products, celebration cakes, muffins, cookies, and ice cream-based treats, ensuring timely delivery.

- **Specialized Production:** Focusing on high-quality frozen dessert creation.
- **State-of-the-Art Facility:** Our 35,000 sq. ft. plant in Taloja, Maharashtra, is equipped with advanced European machinery, ensuring precision and excellence in every dessert.
- **Flexible Manufacturing:** Our system allows us to cater to diverse dessert categories and customize products to meet the unique needs of our valued clients.
- **Scalable Capacity:** With a growing production capacity, we are strategically positioned to effectively meet rising market demands.
- **Uncompromising Standards:** We maintain stringent hygiene and safety standards throughout our processes.
- **In-house Expertise:** Our dedicated R&D and testing teams ensure each product meets our stringent benchmarks. We also house an ice cream production unit, enabling us to develop diverse, flavorful, and unique dessert concepts.
